Prayer Requests:

Shekaina has recently been diagnosed with an autoimmune disease, which would explain the severe health challenges she has been facing. The prognosis is good, but there are still many battles ahead to be won. Pray for continued healing and that the treatment will work, so that she may live a full life-one that serves God.

Charlie requested continued prayer for his friend, C.L., he is not doing well.

Once again remember those who are receiving Bible studies. Several are studying on a continued basis, PTL. Also, pray for our members who are studying along with them.

Ed Tidwell asked for continued prayer for his grand kids.

Margaret's sister, Sadie will be receiving antibiotic treatments; continue to pray for her health issues. Thank you!

Praise Reports:

Barbara Jones came to Prayer Meeting again! Said she's feeling better each week. PTL!

Margaret Chesney's sister, Sadie, is now cancer free! PTL!
