We Welcome You

Prayer Requests:

With God's help, Ed Tidwell is making improvements with his diabetes through a vegetarian diet. PTL!

Let's remember the people in Florida concerning Hurricane Ian that has battered the state with storm surges and flooding. Some of us have family and friends in that area; please say a special prayer for their health and safety.

Continued prayer is requested for Martha Pentecost's health issues.

Remember Carole Dunifer in your prayers. The nurse will be having communion with her in a few days. May God continue to give her and Rick for strength and comfort at this time. Also pray for Rick, who is under the weather.

Sharon Hodges has requested prayer for a Bible study student who is in the hospital.

Pray for Irene's daughter, who will be testifying in court. Also, pray for her friend Nancy who is has health issues.

Charlie asked for traveling mercies to Colorado. Also, your prayers are needed for one of his Bible study student's wife, who is having back surgery; and his cousin's wife, Barbara is having generalized pain. Let's lift them up in prayer.

Prayers Continued

Let's continue to pray for our Bible study students. Kathy reported we have 58 names from our last mailout. Charlie has two new students, a husband and wife.

Our meetings are going well. Please pray for those who are attending to receive a special blessing as they learn new Bible truths.

Brenda requested prayer for her friend, Linda, who has cardiac issues and has three stints, and her husband has bladder cancer. Brenda also has a friend, Donna, who had COVID and now has stage 4 lung cancer. Pray for God's healing, strength, and comfort at this time, and that they will be filled with His Spirit.

NOTES

“Search for the Lord and for his strength; continually seek him” (1 Chronicles 16:11, NLT).
