Prayer Requests:

Pray for an exciting new ministry opportunity.

Sometimes we become swamped in a season of business with life's responsibilities and too much to do. Let's pray for the Holy Spirit to remind us of what is important.

Thanks for your prayers for our Bible study leads. PTL! We've had several interests and receiving more every week. Pray for the Holy Spirit to continue to work on the hearts of those receiving these cards.

We have had several major disasters lately. Let's pray the survivors will quickly receive the aid they need.

Pray for our church and each other as we move forward bringing others to Jesus. May He give us wisdom and strength.

Remember our missionary in your prayers. May the Lord continue to lead in their new project.

North American Division’s Public Affairs and Religious Liberty Ministry (NAD PARL) invites YOU to attend “Reconstructing Religious Liberty in a Time of Religious and Secular Extremes,” October 20-21, at the Collegedale Seventh-day Adventist Church in partnership with Southern Adventist University, to explore new ways to talk about religious freedom within a culturally and politically polarized America. Visit www.ReligiousLiberty.info/events now to preview the conference schedule and register to join academics, theologians, and religious freedom experts as we consider these increasingly divisive issues.

Community Connection

At Project Linus, the holidays can be especially challenging for grieving families. Each December, The Gary Sinise Foundation hosts a five-day experience for over 1,500 children of military and emergency workers who have given their lives serving our country and communities. With special time to honor their fallen loved ones and a blend of fun entertainment and inspiring programs, these families can lean on their peers for support.

Project Linus chapters across the country are committed to providing blankets to the children served at this event. These blankets are one more way of providing comfort to these children, and our local Project Linus chapter will be shipping 75 blankets to the children in these families.

The money we are collecting from your donations to Community Service this month will go directly to Project Linus to offset the cost of mailing the blankets. To donate, simply select "Community Service" on your offering envelope. All funds donated to Community Services from August 20 through September 16, 2023, will go to Project Linus.

Thank you for being the hands and feet of Jesus to those in need around us.

Your Community Services team: Darlene, Jacque, Linda, and Sabrina.
