They miss their church family. Now that they are back here in town, let's drop in for a brief visit as well as give them a call or send them a card.

Community Connection

Our November project will be to bless the men's shelter at the Salvation Army with men's hygiene supplies: body wash, deodorant, shaving cream and razors, hair products, and shampoo; cologne would also be welcome. One special request we received was for a group of about 10 men who are applying for warehouse jobs. One requirement is that they have steel-toed boots for work. If you are interested in purchasing a pair (or more) of steel-toed boots, the men's shoe sizes range from 10 to 12 including the half sizes (10 ½ & 11 ½).

Kent Jones (former N. Knoxville SDA church member), who is the men's shelter director thanks us for any donations we can make. He said that this year has been difficult at the Salvation Army due to the economy, but thanks to donations, they have been able to continue serving the homeless.

Thank you from the Community Service Department.
